

Truax Multi-Task Twins

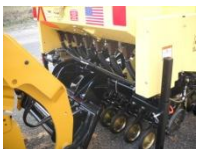

Solutions for achieving seeding success on difficult and tough planting sites!

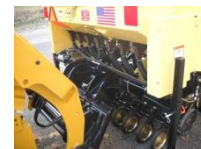

Trillion Skid Steer Seeder

FLEX Skid Steer Drill

Skid Steer Plate 3 Point Hitch

Tongue Style Skid Steer Plate 3 Point Hitch

Truax Trillion seeders and FLEX Drills are now both available with skid steer mounts that provide the maneuverability to tackle the roughest sites and achieve the best seed placement. The versatility of Truax equipment is increased by adding skid steer mounts to the traditional 3 point Trillion seeder and the tongue style and 3 point hitch FLEX drills.

Sizes and weights to meet your needs.
